

## HOW IT WORKS

Sign up for the All Together Now Summer Reading Program on the Beanstack app, on our website, or by visiting the library.

At signup, each participant receives an All Together Now backpack, summer reading game board, and a free book.

Read and complete activities on the summer reading gameboard to earn more free books, prizes, and entries into the grand prize drawing.

One youth summer reading participant will be chosen to be the Caroline County Public Library Grand Champion at the Maryland State Fair Reading Ceremony on Sat, August 26th. Details at the library.

Ask us about adult summer reading.
